- (f) Is removed or the model home is converted into a permanent residential use once 85 percent occupancy in the section or phase of the development is reached.

(5) Temporary Housing

Temporary housing, in the form of a mobile or modular home, may be placed upon a site previously occupied by a detached dwelling without obtaining Site Plan approval provided that:

- (a) The detached dwelling is destroyed or rendered uninhabitable;
- (b) The method of temporary housing is approved by the Department of Building and Neighborhood Services;
- (c) The temporary housing is located in accordance with the minimum setbacks and required yards to the maximum extent practicable;
- (d) The temporary housing remains in place for three months or less; and
- (e) The duration of placement may be extended for an additional three-month period only by approval of the Department of Building and Neighborhood Services.

(6) Temporary Storage in a Portable Shipping Container and Temporary Holiday Storage in a Portable Shipping Container

Temporary Storage and Temporary Holiday Storage in a portable shipping container shall be permitted to serve an existing use, subject to the following standards. A portable shipping container shall not be located:

- (a) On a lot without prior approval from the Department of Building and Neighborhood Services.
- (b) In the front yard;
- (c) Within ten feet of any lot line or structure;
- (d) In a manner that impedes ingress, egress, or emergency access.

(7) Temporary Structures (as part of Institutional Uses)

Temporary structures serving institutional uses shall comply with the following standards:

(a) Location

- (i) Be located to the side or rear of the principal structure(s) and at least five feet from any other structure.
- (ii) Be permitted within the building envelope but not within required off-street parking, open space set-aside, or required landscaping areas.

(b) Standards

- (i) Use under skirting or other methods to prevent unauthorized access underneath the structure(s).
- (ii) Incorporate evergreen shrubs planted around the base of the structure, each located at least five feet on-center, when visible from other developed lots or public rights-of-way.
- (iii) Comply with the parking standards for the corresponding use type in Table 5-9, Minimum Off-Street Parking Standards.
- (iv) Not be required to be compatible with the existing principal structure exterior colors or materials.
